Fortes Pakeong Sequeira 百強

I especially liked sketching to express my inner world with pictures because I was not talkative when I was small. Gradually, I liked to draw and portray all the images and fragments, which came across my mind rapidly and temporarily, on walls. After growing up, I have the opportunity to hold my first solo exhibition 'Mad! Mad! Mad! Fortes Sketches Solo' as the organizer invited me to the event at the Macau Ox Warehouse in 2005. I started my career as a graphic designer and a part-time artist simultaneously after my graduation from university. In 2008, I gave up the demanding jobs of graphic designer but resolutely embarked on the career as a full-time artist. In 2009, for the first time I showed up as a live impromptu creator with a permanent marker at the exhibition 'Art Beijing'. Then in the booth I created a single-colour painting of 7.2m in width and 2.4m in height on four consecutive days. From then on, I travelled many places to demonstrate my skills with permanent markers and canvases. Those places included Macao, Beijing, Shanghai, Hangzhou, Shenzhen, Taipei, Hong Kong, Tokyo, Malaysia, Singapore, Lisbon, and New York, etc. I also held many solo exhibitions. In 2015, 'experiencing: fortes', a book of solo short biography with portfolio was published. Besides creating visual arts, I compose music, write lyrics, and perform songs as the vocalist of 'Blademark' to lead the band. We have frequent performance with enthusiastic responses in places like Macao, Beijing, Shanghai, Ningbo, Guangzhou, Shenzhen, Taipei, Hong Kong, Australia, etc.

小時候因為不善言詞特別喜歡繪畫，以圖像宣洩內心世界。慢慢喜歡上畫畫，把急速而短暫略過於腦海裡的圖像和片段，刻畫於牆壁上。長大了，一次機緣巧合，被策展人拉去牛房辦了我人生第一個個人作品展「瘋！瘋！瘋！百強草稿展！」，那年2005。大學畢業後的我，投身平面設計領域也同時開展了業餘藝術工作者的生涯，2008年我放棄沈重的設計師身份，毅然踏上全職藝術工作者之路。2009年我拿著一支油性箱頭筆，第一次以現場即興創作者的型態示人現身藝術北京展場，並一連4天在展位裏創作了一幅7.2米寬乘以2.4米高的單色作品。自此以後我帶著油性箱頭
