Qin Feng 秦風

Qin Feng, 1961 born in Xinjiang, China, graduated from Shangdong Art Institute in 1985. After graduation, he worked in research and publication industry. He moved to Germany in 1996 under the invitation by the city of Berlin to serve as the curator for the Sino-German Cultural Exchange Programme and to teach at Berlin University of Art, HDK. He found the Museum of Contemporary Art in Beijing and began teaching and serving as graduate advisor at the Central Academy of Fine Arts in Beijing; and he became a research associate at the Fairbank Centre for Chinese Studies at Harvard University. His works collected by the British Museum, the Metropolitan Museum of Art, Museum of Fine Arts, Boston etc.

Qin Feng likes to create large scale painting. Ink and Calligraphy remain as the key elements in his art. Qin Feng's oeuvre has been developed to express a fluid blending of Chinese and Western culture. Qin manifests his personal nature and growth story in his painting through powerful and uninhibited strokes. In the Series of Desire Scenery, are all about his life experiences and the concepts of the interconnection between civilization and desire.

As Qin himself said, "My stroke is used to reflect the profound experience of life"

1961年生於中國新疆，1985年畢業於山東工藝美術學院。畢業後於烏魯木齊的研究所及雜誌社工作。1996至1999年受德國柏林市政府邀請任藝術大使，曾任教於柏林藝術大學。2006年創建北京當代藝術館，2007年被聘為中央美院研究生導師，2008年任哈佛大學費正清研究中心當代藝術研究員。作品被大英博物館、紐約大都會博物館及波士頓美術館等收藏。

秦風喜歡創作大型繪畫，水墨和書法乃其主要的藝術元素，作品從物料及構圖上融會了東西兩方的特色，畫作筆觸大而有力，畫中急速的、根本的筆觸散發著藝術家獨特的性格與成長故事。秦風在《慾望風景》系列中所陳述的是他的生活經歷，同時亦探討著自然與文明之間的種重角力。正如秦風自己所言，「我的筆觸是用來反映對生命的深刻體驗」。
