Joey Leung Ka-yin

Artist Statement:

Graduated from the Chinese University of Hong Kong [BA (Fine Arts), 2000; MFA, 2007], Leung Ka Yin combines traditional Chinese painting and pop culture in her works. She explores the use of contemporary writing equipment to create the ambience of Chinese art, attempting to push the boundaries of different media to its limits. The stories in her artworks depict her feelings and fantasies towards modern life. It's also an attempt to introspect the value of traditions in the contemporary world.
